To Whom It May Concern:

I had an automobile accident on February 1, 2000 due to a water main break on the street. The policeman that took my incident report along with other neighbors in the area, mentioned that had reported this break before. It was only after my accident occurred, that the city came out and repaired that drain.

Because of this accident, my insurance will increase and I don't feel that it is of fault of mine. Also, I have to know spend \$500.00 for my deductible to have my vehicle repaired. I would appreciate it if you investigate this matter and reimburse me and AllState for the damages applied to my vehicle.

Attached, please find a copy of the accident report, vehicle registration, and a copy of the estimate to repair my vehicle.

Should you have further questions, comments or concerns, please feel free to contact me at 404-225-9397.

Thank you,
